# 1. Program Parameters

## 1.1. Introduction

The Business Rebound and Adaptation Grants Program ('Program') is an initiative to help Northern Territory small businesses affected by the COVID-19 pandemic to build their capacity and adapt to the new economic environment.

## 1.2. General

### 1.2.1. Program Objective

The Program is open to Territory small and medium businesses that have experienced significant impact as a result of the restrictions put in place in response to the COVID-19 pandemic.

The Program will provide money for applicants to carry out works that will drive increased revenue for their businesses through enhanced customer experience and improved business performance, for example, through innovation in technology, future skilling and structural works to business premises and major purchases for the business.

The Program follows on from the Northern Territory Government's other COVID-19 relief initiatives, and is available to eligible businesses and eligible recipients.

# 2. Program Definitions

**Audit** or **Spot Audit** means the Department's right to check original documents (such as receipts for the purchase of goods/services with grant monies and/or co-contribution monies) and undertake onsite inspections of property where works are underway or have been completed. In addition to any relevant terms of a formal funding agreement and as a condition of being registered to participate in the Program, the Business agrees to present, upon request by the Department within 10 working days of the request, any documentation required by the Department that is related to its eligibility to participate in the Program and expenditure of any grant made to the business.

**Department** means the Northern Territory Government, Department of Trade, Business and Innovation.

**Eligible Business** or **Business** is a service provider that is a Territory Enterprise and:

- holds a valid Australian Business Number as at 29 July 2020; and
- was providing its services wholly or substantially in the Northern Territory as at 29 July 2020; and
- has and will maintain during the course of the Program (and will provide copies upon request), all relevant business, occupation and related permits, licences and insurance coverage required to undertake work in connection with the Program, including valid public liability insurance policy with minimum \$10 million cover, Workers Compensation, Professional Indemnity, and all other relevant insurances to cover its usual business risks; and
- has successfully registered with the Department to be part of the Program; successful registration is dependent upon satisfactory results of due diligence the Department may conduct in its absolute discretion; and

- will be providing more than 50% of the labour component for services in the nature of professional advice, technological design, installation of equipment and the like (see Eligible Works); and
- unless it is a Licensed Builder, will carry out the labour component of any Eligible Works it provides a quotation to conduct (i.e., does not merely supply products or components to be installed as part of Eligible Works), subject to:
  - (i) any requirement to use a licensed professional to conduct such works; and

### 3. Program participation

The Program is open to Eligible Businesses and Eligible Recipients.

Applications must be made to the Department and comply with all processes and procedures contained in these Terms and Conditions and that the Department may otherwise set from time to time.

## 4. Eligibility criteria and processes – Eligible Business

### 4.1. Eligibility

To participate in the Program, the business must be an Eligible Business and must be registered with the Department.

### 4.2. Registration process

Businesses that are registered under the Jobs Rescue and Recovery Program (JRRP) will automatically have their registration transferred to this Program, unless the Business notifies the Department in writing that it wishes to withdraw from participation.

Participation in the program may be revoked by the department by notice in writing to a Business and if revoked then the Business will be thereupon de-registered and no longer eligible to participate in the program. Ongoing eligibility to participate is at the discretion of the department in all things (acting reasonably), but registration will not be revoked unless the department:

- a. has received information from an Recipient or other relevant person that tends to indicate that the Business has acted, or is likely to act, in a manner that is or may reasonably be, unconscionable, unlawful, or otherwise unbefitting of participation in a government funded program; and

- b. has made all reasonable prudent enquiries required in the circumstances to verify that the information is prima facie justified; and
- c. has put written details of its concerns to the Business and given it a reasonable opportunity to answer the allegations (but noting that under no circumstances is the department required to provide any details which may tend to identify the complainant).

By participating in this Program, the Business declares and warrants to the Department that it has read, understood and fully accepts these Terms and Conditions and fully releases and indemnifies the Department against any loss or damage the Business may suffer of any nature whatsoever in relation to any works carried out by the Business under the Program.

1. Go to <https://businessrecovery.nt.gov.au>
2. Follow the link to the online application form, fill out required details, upload required documents and make the declaration
3. Fill out the Northern Territory Government vendor form (if not already registered as a vendor)
4. Make the declaration

### 4.3. Quotation process

Registered Businesses may provide quotation/s to a Recipient. Recipients will lodge the quotation with the Department as part of their application for a Voucher.

Businesses should note that Recipients cannot obtain a Voucher in respect of quotes for works from Businesses which are Related to (or a Relative of) the Recipient, or the owner of the Property (if the Recipient does not own the Property).

## 4.4. Invoicing process

If the Recipient's application is approved, they will be issued with a Voucher for the contribution assessed under the terms and conditions of the Program.

Once the work has been completed, the Business must submit its valid tax invoice containing the following information to the Recipient:

- Address of works
- Person(s) invoiced (Recipient) and address/contact details

Download an [invoice template \(docx 21 kb\)<sup>3</sup>](#) | [invoice template \(pdf 139 kb\)<sup>4</sup>](#).

**Note: The invoice must match the approved quotation.**

The Business must then obtain both the Voucher and the remainder of monies owing on the invoice from the Recipient and redeem the Voucher through the online redemption process – refer to Clause 1.4.5.

All Eligible Works must be completed within six (6) months of the date of issue of the Voucher or by 30 September 2021, whichever is sooner

All applications for Voucher redemption by Eligible Businesses must be received by 30 November 2021 for processing.

## 4.5. Voucher redemption process

Once the Eligible Works have been completed and the Recipient has paid the invoice using the signed Voucher (and their own monies, if relevant) to redeem the Voucher the Business must apply to the Department through the online redemption process **within 2 months of the completion of the Eligible Works** (as evidenced by the dated and signed Voucher handed by the Eligible Recipient or by the End Date, whichever is sooner). The Business must log in to their account and provide the following details:

- Business details
- Voucher number
- Voucher amount
- Invoice total
- Total amount paid by the Recipient (minus the Voucher amount)
- Attach a scanned copy of the invoice, receipt and Voucher signed by the Recipient
- Complete the online declaration confirming that the Business will retain the original Voucher, and a copy of the quotation, invoice and receipt and present them to the Department upon request during an Audit
- Complete such other declarations as may be contained in the form of declaration on the website, including (where applicable) that any sub-contractors used have or will be paid within the terms of a valid tax invoice

For assistance with online redemption, Businesses may contact the Department via [business.nt.gov.au/recovery](https://business.nt.gov.au/recovery)

## 5. Outsourcing and sub-contracting permitted

An Eligible Business may outsource and/ or sub-contract part of the labour component of the conduct of Eligible Works to another Eligible Territory Business and satisfactory evidence of such must be provided to the Department at the same time as approval for a quotation is sought. Where part of Eligible Works are sub-contracted:

- (a) the head contractor (i.e. the business that provides the quotation) must not sub-contract more than 50% of the total value of the labour component of the Works, unless they are a Licensed Builder; and
- (b) a sub-contractor must be paid within the terms of a valid tax invoice issued by the sub-contractor to the Eligible Business, regardless of when a Voucher is redeemed.

## 6. No incentives to be offered or accepted

A Business must not offer to an Recipient, and an Recipient must not ask for or accept from the Business (or anyone acting on behalf of the Business), any offer of a benefit (whether monetary or otherwise) to the Recipient or any third party, as inducement to the Recipient to accept a quotation, other than the completion of the Eligible Works set out and described in the quotation.

## 7. Other financial rebates, discounts and financial benefits

Should any proposed works include works and/or goods/materials ('works') that already entitle the eligible recipient to a rebate, discount or other financial benefit whether from the Northern Territory Government or not ('benefit'), the voucher amount or amounts will be reduced by the amount of such benefit to avoid double-dipping.

A not-for-profit Recipient must not apply for a voucher for works, goods or materials ('works') if it has already received or is entitled to receive funding (whether whole or in part) for the works (or works of the same nature as the works) under a current grant or budgetary arrangement with a Northern Territory or Australian Government department.

## 8. GST

The amount of the Voucher is exclusive of GST and if the Business is registered for GST, then GST will be paid by the Department in addition to the total value of the Voucher at the time of redemption. The Recipient therefore only pays GST on the difference between the invoice total (including the value of its co-contribution) and the Voucher value after GST is added.

## 9. Eligibility criteria and processes – Eligible Recipient

### 9.1. Eligibility

The Program is open to Eligible Recipients to apply for Voucher(s) in payment for Eligible Works to be carried out in relation to one Property (or to its business if the Eligible Works consist solely of services).

### 9.2. Voucher application process

Recipients will be able to apply for a Voucher from 9.00am on 1 September 2020.

In order to apply for a Voucher, the Recipient must obtain their quote from an Eligible Business, then go to <https://businessrecovery.nt.gov.au> and follow the links to fill out the online forms and upload the required supporting documentation, as per below steps:

- Fill out the required details
- Upload proof of identification documents, proof of ownership of the Property and one or two quotation(s) for works as specified in the application form; and

## 10. Eligible Works

### 10.1. Contribution under Program to Eligible Works

Applicants should note that Vouchers will be issued strictly on the basis of dollar for dollar co-contribution by the Eligible Recipient to the total cost of the Eligible Works (excluding GST).

---

<sup>5</sup> <https://businessrecovery.nt.gov.au/contacts>

The Department will provide the formal approval to start Eligible Works to the Eligible Recipient in the form of a Voucher or Vouchers. Eligible Works must not commence before the Voucher or Vouchers has been issued.

An Eligible Recipient can **only apply once** for one or two Vouchers up to the total Maximum Grant Amount in relation to works on one Property (if the application does not wholly relate to Eligible Works that are services). An Eligible Recipient may apply to carry out up to two separate purchases by two different Eligible Businesses in relation to the one Property (where the Voucher/s are only being used to improve a Property), or, one purchase of services (such as professional services), and one purchase of works on a Property, or, two separate purchases of services where no Property is being improved.

If a Property contains multiple business tenancies, each individual business owner may apply for a grant in respect of its own tenancy but no application/s for a grant to conduct Eligible Works to common areas of the Property (or in common with other Eligible Recipients) will be approved. Eligible Works must be carried out inside the individual business premises or be services to be rendered only in respect of the individual business to which the application relates. A Voucher is not redeemable by the Eligible Recipient or transferrable to any other person whether or not it is an Eligible Recipient.

## 10.2. Examples of Eligible Works

Some examples of Eligible Works are provided on the website at <https://businessrecovery.nt.gov.au>.

Eligible Works must be procured using Eligible Businesses. Records of all expenditure using these payments must be retained and the Territory may audit that information at any time.

**Important Note:** Where the department is not satisfied that a quotation represents value for money, it may (but is not obliged to) require the Recipient to obtain and consider another quotation and/or meet with the Department to discuss the best way to achieve value for money in the particular circumstances.

## 10.3. Pre-conditions to approval of Eligible Works

As a condition of the issue of Vouchers, the Eligible Recipient agrees that:

- (a) the Northern Territory Government may publish details of any Vouchers issued including without limitation details of the Eligible Works (provided that no personal information or details of the Eligible Recipient will be published without the consent of the Eligible Recipient); and
- (b) it will provide to the Department before and after photos of the Eligible Works where practicable.

## 10.4. Payment to the Business at the completion of the Eligible Works

At the completion of the Eligible Works, the Recipient is required to:

- sign and date the Voucher
- remit the Voucher to the Business. **Note: Vouchers must be remitted in full. Vouchers will not be part paid;** and
- pay the difference between the total invoice and the value of the Voucher from their own funds.

Vouchers for the full amount of each Voucher must be provided to the relevant Business on completion of the Eligible Works. That is, a voucher cannot be paid to the Business by instalments. By surrendering the signed Vouchers to a Business the Recipient warrants and declares to the Department that the works have been carried out to its satisfaction.

## 10.5. Time limits on Eligible Works

Eligible Works **must not commence** until an application has been approved by the Department.

Eligible Works must only commence **after** an application has been **approved** by the Department and must be **completed within six calendar months of the date of issue of the Voucher**. All approved works must be completed by 30 September 2021 and vouchers submitted for payment by 30 November 2021.

## 11. All works at risk of Recipient

By registering Businesses for participation in Programs, the Department gives no warranties, express or implied, as to the suitability or calibre of the Business to conduct the works quoted.

The Department will not carry out any specific enquiries in relation to a Business other than those it deems necessary in its absolute discretion. The Recipient must make all enquiries it thinks necessary to ensure that the quoting Business is suitably qualified and experienced to undertake the works, and the Department takes no responsibility whatsoever for any works or conduct by the Business which may not meet the Recipient's expectations, including without limitation works that are of unacceptable standard, quality or workmanship. Further, the Department takes no responsibility for any damage or loss of any kind accruing to the Recipient in the event that the quoting Business fails to complete the work by the cut off dates (or at all), including loss of benefit and use of a Voucher.

By making an application for a Voucher, the Recipient declares and warrants to the Department that it has read, understood and fully accepts these Terms and Conditions and fully releases and indemnifies the Department against any loss or damage he/she/they may suffer of any nature whatsoever (including without limitation personal injury or death) whether in relation to the goods and materials supplied and/or conduct of the works (or lack thereof). - cease the Program at any time should the Northern Territory Government policy change in which case no further Vouchers will be issued.

## 13. Cancellation of Vouchers

Should the Recipient require the cancellation of an approved Voucher, they must [contact us](#)<sup>6</sup> prior to the expiry of the Voucher.

**Note:** If a Voucher is cancelled and the Recipient wishes to have a new Voucher issued (for example, because the Recipient and the Business have agreed to vary the works, or the Recipient wishes to use the Voucher with a different Business) the Recipient is required to re-apply for a new Voucher. The new application will be subject to these Terms and Conditions and assessed independently of the first Voucher issued. **No Voucher extensions will be granted under the Program.**

## 14. Due Diligence, Audit and Compliance with Law

All participants in the Program acknowledge:

- (a) that the Department will conduct such due diligence enquiries as it sees fit in order to ensure the integrity of the Program and that the allocated funding is used strictly in accordance with the intent of the relevant government policy. - (b) that it is a condition of participation in the Program that Businesses and Recipients comply with all relevant laws, and, without limitation, that Businesses ensure they are aware of their obligations under the *Independent Commissioner Against Corruption Act 2017* (the Act) and that none of their officers, employees, and/or members engage in improper conduct as that term is defined in the Act.

The Department reserves the right to conduct an Audit at any time before or after redemption or attempted redemption of a Voucher, or within 12 months after the Program ends.
